

Indicate areas of research you would like to pursue. Information on faculty members who will be overseeing students with research projects this summer as well as their areas of concentration and current research projects are located on the Chemistry Department web site (<http://chemistry.syr.edu/>).

Principal research areas of interest: 1. \_\_\_\_\_ 2. \_\_\_\_\_  
3. \_\_\_\_\_ 4. \_\_\_\_\_

Please provide a brief statement (one page) describing your career goals in scientific research and why you wish to participate in this program. Specifically discuss your plans after your undergraduate graduation (graduate school, employment, etc.) and why you wish to pursue this research opportunity.

List below the names and titles of two faculty members (at your institution or elsewhere) whom you have asked to write letters of support for your application. These persons should be familiar with your academic and/or research abilities and should be able to judge whether you are suited for Undergraduate Chemical Research.

1. Name: \_\_\_\_\_ Title: \_\_\_\_\_  
E-mail Address: \_\_\_\_\_  
Telephone Number: (\_\_\_\_) \_\_\_\_\_
2. Name: \_\_\_\_\_ Title: \_\_\_\_\_  
E-mail Address: \_\_\_\_\_  
Telephone Number: (\_\_\_\_) \_\_\_\_\_

REFERENCES SHOULD SEND THEIR LETTERS OF RECOMMENDATION DIRECTLY TO:

Professor Karin Ruhlandt, Director  
REU Program  
Department of Chemistry  
1-014 Center for Science and Technology  
Syracuse University  
Syracuse, New York 13244-4100

OR EMAIL TO: Denice Buchanan, [dmstowe@syr.edu](mailto:dmstowe@syr.edu)

**Please send your completed application form, a copy of your transcript(s) and a brief statement concerning your career goals and why you wish to participate in this program to Dr. Ruhlandt or Denice Buchanan at the address/email given above.**

.....  
I understand that in accepting participation, I commit myself to be present at Syracuse University from **June 7 through August 13, 2010**. I shall arrange all personal and academic obligations to adjust to this schedule.
